

# Healthy & nutritious food is now in reach with your healthy foods benefit

## Your new grocery benefit allows you to buy approved healthy foods at participating retailers.

Your healthy foods benefit can be used to purchase things like: diabetes care, food, beverages, vitamins, and dietary supplements. To view a complete list of eligible food items, visit [OTCNetwork.com](https://OTCNetwork.com).

### How to enjoy your grocery benefits:

Visit a participating store

Shop for approved healthy foods

Checkout

Swipe your benefit card first to pay

**Approved food will automatically be paid for up to the available balance. No need to even show the cashier your card. Swipe with confidence.**

### Participating Retailers

For a full list of retailers where you can use your benefit card, visit [OTCNetwork.com](https://OTCNetwork.com)
